

TERMS OF USE

Use of this Web site is subject to the following terms and conditions. Accessing or using this Web site constitutes acceptance of these terms and conditions. Uni-Select Inc. Your continued access or use of the Web site means you accept the changes.

1. EBITDA

Some information contained on this Web site includes some figures that are not performance measures consistent with Canadian generally accepted accounting principles (“GAAP”). For instance, the term “EBITDA”, which represents operating income before interests, amortization, income taxes and non-controlling interest used by Uni-Select is a widely accepted financial indicator of a company’s ability to service and incur debt. It should not be considered by an investor as an alternative to operating income or net earnings, as an indicator of operating performance or cash flows, nor as a measure of liquidity, but as complementary information. As EBITDA is not a measurement defined by Canadian GAAP, it may not be comparable to the EBITDA of other companies. In Uni-Select’s statement of earnings, EBITDA corresponds to “Earnings before the following items”. The EBITDA margin corresponds to the percentage of EBITDA divided by sales.
